

BEREKET MUNIYE

SOFTWARE DEVELOPER

"My name is Bereket, and I am a dedicated Information Systems student at Addis Ababa University. I recently completed my Bachelor's degree in Information Systems. Throughout my studies, I have gained a solid understanding of various aspects of information systems. I am passionate about leveraging technology to drive innovation and improve organizational efficiency. I am eager to apply my knowledge and skills in a professional setting and contribute to the success of an organization.
